#LTCleanup

Your support makes a huge difference:

- Since 1994, we've collected over 108 tons of trash from Lake Travis, and involved over 18,000 Scuba divers, walkers, and paddlers
- Since 2006, sponsors like Brown Distributing, Randall's, Wells Fargo, Eriksen Marine, and The Sail and Ski Center have contributed over **\$90,000** to equip and reward volunteers
- We're the largest water-based cleanup in Texas, fostering a **tradition of great memories, friendships, and service**
